## OBJECTIVE

Energetic and dedicated Computer Science student with a strong foundation in programming languages and software development. Proficient in Python, C++, C, and Java, with experience in web development and machine learning. Seeking an opportunity to apply my skills, contribute to innovative projects, and grow professionally in a dynamic environment.

## EDUCATION

<b>Chandigarh University</b>	Expected August 2026
Bachelor of Engineering in Computer Science	
<b>D.A.V Public School Cantt Road</b>	2020-2021
AISSE(Board: CBSE, Percentage: 84%)	
<b>D.A.V Public School</b>	2018-2019
AISSE(Board: CBSE, Percentage 91%)	

## SKILLS SUMMARY

**Technical Skills:** C, C++, JAVA, Python, MySQL, HTML, CSS, JavaScript, Node js, DBMS, ML.  
**Cloud and Database:** Azure, MySQL  
**Interpersonal Skills:** People Management, Leadership Skills, Stress Management, Teamwork, Communication.

## TRAINING

**Inhouse Internship**  
Chandigarh University

- Gained proficiency in AI and ML through practical projects, including sentiment analysis, applying machine learning techniques to analyze text data and extract insights. During this time, learned various machine learning algorithms through hands-on experience in developing projects like a chatbot and house price prediction system.

## PROJECTS

**Student Management System**

- Developed a C++ system to manage student records efficiently.
- Enabled quick retrieval of information through search filters.
- Designed a command-line interface for seamless interaction.

**Secure Destination**

- Created a Java-based desktop application for safe and enjoyable travel.
- Integrated strong authentication for secure access.
- Addressed key tourist concerns, including attractions, crime rates, and accommodations.

### Research Paper: Secure Designation: A Tourist Guide

**Kheti Baadi**

- Built a platform enabling direct farmer-to-consumer connections, removing middlemen.
- Designed a seamless interface to enhance user experience and transaction efficiency.
- Implemented secure payment and order management features to enhance reliability.

## CERTIFICATIONS

- Summer Training Certificate in Industry Ready Program for AI with Python from Chandigarh University.
- Elite certification Cloud Computing(NPTEL).
- Elite certification in Internet of Things: Design Concepts and Use Cases(NPTEL).

## INTERESTS AND HOBBIES

- Sketching (Specially Portraits)
- Reading Tech Blogs & Research Papers
